

# New Era Public School, Dwarka

Date: July 27, 2020

## Invitation Letter - Renaissance 2020

"Creativity is inventing, experimenting, growing, taking risks, breaking rules, making mistakes, and having fun." -- Mary Lou Cook

New Era Public School, Dwarka - a name synonymous with holistic education, believes in shaping the future of tomorrow with its mission statement of - "Character, Commitment, and Consistency". Over decades we have provided the country with citizens who have made their presence felt in every field with their sterling character, commitment to excellence and consistency in performance.

Currently, we are going through a historic event, an event we are told happens once in a century. A momentous shift has already occurred, as schools all over the globe have moved their learning online. But, learning as we know isn't just about academics. Therefore, in this new era of the digital age, we decided to go virtual with our Annual Inter School Fest.

It gives me immense pleasure as I invite your school to participate in the Online Annual Inter School Fest: *Renaissance 2020*. An event, which surely comes as a revival, a casting away of the old and the embracing of the new, in these times. As always, *Renaissance* aims at giving students a platform to showcase their talents by providing the right amalgam of literature, art, culture, and technology. This year, *Renaissance* being a digital fest will be held only on one day i.e., August 8, 2020.

The general rules and regulations and individual event details have been enclosed herewith. You are requested to register the participants of your school by filling up the Online Registration Form on the link given below latest by Friday, July 31, 2020.
