Classes – VI - VIII

Dear Parents,

Subject: Happiness Classes

As informed already, the school has suspended regular classes as directed by the Directorate of Education.

However, in compliance with the advisory issued by the DoE, we are happy to announce special 'Happiness Classes' for the students of classes VI - VIII from 27th April to 13th May, 2021.

These classes will keep students constructively connected with their teachers and peers. There will be three sessions of fun filled activities every day to enhance skills in music, art, dance, health and fitness, yoga, general knowledge & current affairs, language and communication, life skills, quizzing etc. The schedule of these classes is being shared with you.

In the present scenario, it is important to maintain the physical, mental and psychological wellbeing of our young ones. Therefore, you are requested to encourage your ward to attend these classes and help us keep him/her purposefully engaged.

Stay Safe, Stay Healthy
