Classes – IX, X & XII

Dear Parents,

Subject: Extra Classes

As informed already, the school has suspended regular classes as directed by the Directorate of Education.

However, in compliance with the advisory issued by the DoE, we are happy to announce extra classes for the students of classes IX, X & XII from 27<sup>th</sup> April to 13<sup>th</sup> May, 2021.

These classes will help students enhance their language and communication skills, project preparation, art integration and competency based learning. The pedagogical approach for these classes will be creative, activity based and extrapolative to inculcate and encourage the spirit of enquiry and analysis among students. Three sessions of such classes will be held every day.

In the present scenario, it is very important to ensure the overall well-being of our students. Therefore, you are requested to encourage your ward to attend these classes and help us keep him/her meaningfully engaged. The schedule of these classes is being shared with you.

Stay Safe, Stay Healthy
